Come Celebrate 30 Years

By Councilman Don Christensen

West Valley City is celebrating its 30th anniversary with a year-long celebration kicking off on July 1, 2010. City activities this year will center on remembering Utah's second largest city's incorporation thirty years ago.

The Utah Cultural Celebration Center will be hosting several exhibits and activities throughout the year. Currently, an airbrush exhibit is in the gallery and an egg carving exhibit is in the main hall. Check the city website for continuing information on exhibits that will be featured throughout the year.

West Valley's sixth annual Summer Concert Series will be held on Mondays at 7:00 p.m. in the Cultural Center's amphitheater starting on July 6th with the Utah Symphony. Be sure to attend the Symphony concert, the Mayor and City Council will be hosting you to free pizza and drinks and fireworks to follow.

A contest for all current and former West Valley City residents who were born in 1980 during the month of July will be held during April, May and June. There will be 30 monthly winners of a limited edition West Valley City Pin and a grand prize winner, selected from the monthly winners, who will be announced at the Symphony's Concert on July 6th. See other articles in this edition of the newspaper for additional information.

Don't forget to attend WestFest June 24-27 as part of the year-long celebration.

Also, have you noticed the new entry signs on the major entries to the city? Our great events staff recycled our Olympic signs to bring them up to date and saved the city \$150 per sign. Way to go staff.

Please join us for all the events that will commemorate this significant anniversary for West Valley City. This is a great place to live.

Census 2010 – We Count!

Your participation in the U.S. Census is essential to claiming our city's fair share of Federal funding for services and projects, including emergency services, schools, roads, sidewalks, job services, and many more!

When you fill out the census form, you're making a statement about what resources West Valley City needs going forward. Accurate data reflecting changes in our community are crucial in apportioning seats in the U.S. House of Representatives and deciding how more than \$400 billion per year is allocated for projects like new hospitals and schools, and services like police and fire. That's more than \$4 trillion over a 10-year period!

When you do the math, it's easy to see what an accurate count of residents can do for West Valley City. Better infrastructure. More services. A brighter tomorrow for everyone.

For more information about the 2010 Census, visit www.icount.us or call 1-800-923-8282.

West Valley City recognizes Fair Housing Month

West Valley City joins with the Department of Housing & Urban Development (HUD) in celebrating April as National Fair Housing Month. Also celebrated this month was National Community Development Week, April 4-10. Community Development Week 2010 marked the 36th anniversary of the Community Development Block Grant program (CDBG). The grant provides funding for housing rehabilitation, down payment assistance, and public services for several area non-profit organizations.

As part of the National Fair Housing Month, the City will review effort to promote fair housing opportunities for West Valley City residents. Contact Karen Christensen at 801-965-5817 with any comments or questions.
